

# Midterm Quiz and Portfolio Review

Monday/Wednesday class:

- **Midterm Quiz:** Monday, October 6
- **Portfolio Submission:** Wed October 8

Wednesday Evening class:

- **Quiz and Portfolio Submission:** Wed. October 8

## Midterm Quiz 20pts

The quiz will cover everything we have gone over in class up to the date of the quiz! Questions regarding camera functions, file formats, file handling/editing, and composition are all fair game! Study your handouts. If it's not addressed in a handout it won't be on the Quiz. The quiz will be made up of about 20 questions

## Portfolio Review 10pts

(PDF document containing 4 images, plus a 1 page written explanation of your submission choices)

- Submit PDF to your *Finished Work* folder on the school network.
  - Include ONE Image that emphasizes the use of Line as a compositional element
  - Include ONE Image that emphasizes the use of Shape as a compositional element
  - Include TWO images of your choice which you feel are well composed.
- Name the file with your **first initial + last \_Midterm**
- (Example: tkeller\_midterm.jpg)
- Submit, in writing, an explanation of your images (one page) – why did you choose the four images you did? What artistic elements or principles do you see at work in your images? Refer to the *Composition/Art Elements* handout for useful vocabulary. One or two paragraphs for each image should be fine.
